12. You may make an application under s 33J(3) of the FCA Act for an order fixing another date to extend the period during which you may opt out of the proceeding.

SECTION 3 – INFORMATION ABOUT THE CLASS ACTION

Why have you received this Notice?

13. On 14 May 2020, a class action was filed in the Federal Court of Australia by the applicants (Mr Furnell and others) on behalf of certain persons who were employed by the respondent, Shahin Enterprises Pty Ltd ACN 008 150 543 (**SEPL**), between 14 May 2014 and 13 May 2020 (**Class Action**).
14. On 26 August 2022, the Federal Court of Australia (**Court**) approved the form and content of this Notice and ordered that it be distributed to persons who might be members of the class on whose behalf the action is brought and may be affected by the Class Action.
15. The applicants and SEPL have agreed to settle the Class Action and will be seeking Court approval of the proposed settlement. You are receiving this Notice because you may be affected by the proposed settlement of the Class Action.
16. You should read this notice carefully. Any questions you have concerning the matters contained in this notice should not be directed to the Court. If there is anything in this notice that you do not understand, then you should contact Adero Law or seek independent legal advice.
17. You should have previously received a Court-approved notice (previous notice) in about February or March 2021 in relation to the Class Action which set out some of the background to the class action and which advised you of your rights as a potential group member to:
 - 17.1 opt out of the class action if you did not wish to participate in the Class Action;
 - 17.2 register for the Class Action so that your individual claim could be considered at the mediation that was to occur between the parties; or
 - 17.3 do nothing.
18. A copy of the previous notice is available at <https://www.aderolaw.com.au/class-actions/on-the-run/>.
19. This notice is directed only to those persons who, in response to the previous notice:

- 19.1 **registered** to have their individual claim considered at mediation; or
- 19.2 **did nothing** (that is, they did not register and did not lodge an opt out notice with the Court before the deadline of 14 May 2021).
20. The deadline for opting out of the Class Action has now passed. Any persons who lodged an opt out notice with the Federal Court before the deadline are no longer part of the Class Action and are not affected by this Notice.

What is happening in the Class Action?

21. The parties attended mediation and agreed to settle the Class Action. The Court will be asked to approve the proposed settlement and the proposed settlement distribution scheme to make payments to eligible group members.
22. **If the settlement is approved, then group members who have previously registered for the class action or who register by the deadline after receiving this Notice may be eligible to receive a payment from the settlement without going to trial.**
23. Group members have a right to lodge an objection to the proposed settlement, regardless of whether they have previously registered to have their claim considered at mediation or whether they register to participate in the settlement as set out in this Notice.
24. **If the settlement is not approved by the Court, then group members will not receive any payment from the settlement and the class action will continue to trial and after the initial trial of the common issues, group members will need to pursue their individual claims.**

What is a class action?

25. A class action is also called a “representative proceeding”. It is a case brought by one party (**applicants**) on their own behalf and on behalf of a class of people, who are referred to as group members, against another person or entity (**respondent**) where the applicants and the group members have similar claims against that respondent.
26. The applicants in a class action do not need to seek the consent of group members to commence a class action on their behalf or to identify a specific group member. However, group members can cease to be group members by opting out of the class

action. An explanation of how group members in this Class Action could opt out was contained in the previous notice and, as noted above, the deadline for opting out of this Class Action has now passed. The Court has the power to extend the deadline for opting out, either of its own initiative or on the application of an affected person.

What is the Class Action about?

27. On 14 May 2020, the Class Action was filed by Adero Law on behalf of the applicants and the group members, who are other former employees of SEPL.

28. The “**Group Members**” are persons who were employed by SEPL:

28.1 at any time within the period of 6 years ending on 14 May 2020; and

28.2 under the:

(a) Shahin Enterprises Pty Ltd Employee Collective Agreement – Customer Service Employee (**Customer Service CA**) (which was in force until 30 June 2018); and/or

(b) Shahin Enterprises Pty Ltd Employee Collective Agreement – Full Time Employees (**Full Time CA**) (which was in force until 30 June 2018); and/or

(c) Vehicle Manufacturing, Repair, Services and Retail Award (**Award**) (which was in force from 1 July 2018); and

28.3 in the positions and circumstances summarised in paragraph 29 below,

The period in which the Customer Service CA and the Full Time CA were in force is referred to as the “**Collective Agreement Period**” and the period in which the Award was in force is referred to as the “**Modern Award Period**”.

29. The Group Members may belong to one or more of five sub-Groups.

29.1 **Group 1 Members (Certain Non-salaried Staff):** current and former employees of SEPL who allege that at any time between 14 May 2014 and 13 May 2020 they:

(a) were employed under the Customer Service CA and/or the Award in the positions of:

- (1) console operator;
 - (2) driveway attendant; or
 - (3) roadhouse (food) attendant,
- (b) were directed verbally from time to time, to:
- (1) arrive at work 10 minutes prior to the start of their scheduled shift (**Pre-Shift Work**);
 - (2) stay at work, be available to perform work and perform work after the completion of their scheduled shift (**Post-Shift Work**); and/or
 - (3) work through their shifts without taking a meal break by attending to customers during this period or being available during this period (either by being the only rostered employee and directed to attend any customers throughout their shift, or being directed from time to time while on a meal break to serve customers) to attend to customers without being given additional time for a meal break, despite their shifts scheduling such a break and a period of 30 minutes of their shifts being treated as an unpaid meal break (**Meal Break Work**);
- (c) were not paid their entitlements in the Collective Agreement Period arising from the Customer Service CA in respect of the Pre-Shift Work, Post-Shift Work and/or Meal Break Work;
- (d) were not paid their entitlements in the Modern Award Period arising from the Award in respect of the Pre-Shift Work, Post-Shift Work and/or Meal Break Work; and
- (e) have not, as at the date of commencement of this proceeding, commenced proceedings against SEPL in respect of the non-payment or underpayment of their full entitlements for the Pre-Shift Work, Post-Shift Work and/or Meal Break Work.

29.2 **Group 2 Members (Certain Non-Salaried Staff):** current and former employees of SEPL who allege that at any time in the Collective Agreement Period they:

- (a) were employed in the positions of:
 - (1) console operator;
 - (2) driveway attendant; or
 - (3) roadhouse (food) attendant,pursuant to the Customer Service CA,
- (b) were asked or directed verbally from time to time, to perform work in excess of their ordinary hours (**Overtime**);
- (c) were not paid their entitlements arising from the Overtime in that they were paid for such Overtime at their base rate of pay and not at the applicable overtime penalty rate provided for in the Customer Service CA; and
- (d) have not, as at the date of commencement of this proceeding, commenced proceedings against SEPL in respect of the underpayments of their entitlements relating to the Overtime.

29.3 **Group 3 Members (Certain Salaried Managers):** current and former employees of SEPL who allege that at any time between 14 May 2014 and 13 May 2020 they:

- (a) were employed in salaried managerial positions under the Full Time CA and/or Award of:
 - (1) store manager;
 - (2) assistant store manager;
 - (3) store manager in training;
 - (4) food manager;
 - (5) assistant food manager; or

- (6) food manager in training,
- (b) were directed verbally from time to time, to perform work in excess of 38 hours per week (**Overtime**);
- (c) were not paid their entitlements arising from the Overtime arising from the Full Time CA in the Collective Agreement Period and Award during the Modern Award Period; and
- (d) have not, as at the date of commencement of this proceeding, commenced proceedings against SEPL in respect of the underpayments of their entitlements relating to the Overtime.

29.4 **Group 4 Members (Trainee Underpayment):** current and former employees of SEPL who allege that at any time during the Collective Agreement Period they:

- (a) were employed as 'trainees' in the positions of:
 - (1) console operator;
 - (2) driveway attendant; or
 - (3) roadhouse (food) attendant,
 pursuant to the Customer Service CA,
- (b) were engaged as 'off-the-job' trainees during their employment in this period; and
- (c) performed work during this period and were paid a base rate of pay for such work which was lower than the comparable base rate of pay that would have applied had the Award applied to them and not the Customer Service CA.

29.5 **Group 5 Members (Deductions from Certain Staff Wages):** current and former employees of SEPL who allege that at any time between 14 May 2014 and 13 May 2020 they:

- (a) were employed pursuant to the Customer Service CA or Full Time CA during the Collective Agreement Period or the Award during the Modern Award Period,
 - (b) had amounts deducted from their pay purportedly for the cost of:
 - (1) uniforms which they were directed by SEPL to wear when working; and
 - (2) criminal history checks obtained by SEPL prior to their commencing in their employment.
- 30. **If you meet the above criteria and have not already opted out of the Class Action, you are a Group Member.**
- 31. The applicants sought orders from the Court including:
 - 31.1 to recover compensation for amounts they claim not to have been paid or which should not have been deducted from their wages due to one or more of the above claims;
 - 31.2 for payment of interest up to judgment on the above amounts; and
 - 31.3 to impose “pecuniary penalties” (similar to a fine) on SEPL.
- 32. In about October 2021, you should have received a notice about the proposed discontinuance of the claim brought on behalf of Group 4 Members. Ultimately, this claim was not discontinued but was changed.
- 33. The allegations made by the applicants and which were the subject of the mediation of the Class Action are set out in the applicants’ Second Further Amended Statement of Claim, a copy of which is available at <https://www.aderolaw.com.au/class-actions/on-the-run>.
- 34. SEPL denies the allegations against it and has defended the claims brought by the applicants. The Amended Defence filed by SEPL in the Class Action is available at the same link set out above at paragraph 33.
- 35. SEPL has also joined two former Area Managers who gave witness statements for the applicants as cross-respondents to the proceedings on the basis that if SEPL is

found to have engaged in unlawful conduct, those Area Managers should be liable for that conduct because they engaged in conduct outside of their authority.

SECTION 4 – INFORMATION ABOUT THE PROPOSED SETTLEMENT

What does the Proposed Settlement involve?

36. The parties participated in mediation on 25 May 2022 and 24 June 2022 with a retired Supreme Court Judge as mediator.
37. At mediation, the parties agreed an in-principle settlement of the Class Action, which means that the parties agreed to resolve the Class Action out of Court without going to trial.
38. SEPL will pay \$5.8 million (**Settlement Sum**), in full and final settlement of the claims of the applicants and all Group Members and inclusive of all costs, including legal and administration costs, expenses, disbursements, interest, tax and penalties. The parties have also agreed that the amount of the applicants' legal costs will be capped at a maximum sum of \$1.5 million (plus GST), which will be paid out of the Settlement Sum.
39. The Settlement Sum is paid by SEPL without any admission of liability or wrongdoing and on a commercial basis to resolve the proceedings without the parties incurring further legal fees. As part of the settlement, the applicants are withdrawing all allegations of serious contraventions of the *Fair Work Act 2009* (Cth).
40. **If the proposed settlement is approved by the Court, the Class Action will be dismissed, and eligible Registered Group Members may receive a payment from the Settlement Sum.**
41. If the Court approves the proposed settlement, the applicants and all Group Members (whether Registered or Unregistered) will release and discharge SEPL and its related entities from all claims that are made, or could be made, as against SEPL by all Group Members arising from or under, in connection with or in relation to:
 - 41.1 the Class Action proceedings;

- 41.2 the *Fair Work Act 2009* (Cth), the *Fair Work (Transitional Provisions and Consequential Amendments) Act 2009* (Cth), the *Training Skills and Development Act 2008* (SA);
- 41.3 the Customer Service CA, the Full Time CA or the Award; or
- 41.4 any alleged denial of any monetary or non-monetary entitlement in respect of their employment (but not personal injury claims or other claims that cannot be released as a matter of law but for approval of the proposed settlement).
42. **As a Group Member, you will be bound by the proposed settlement if it is approved by the Court regardless of whether you have registered for the Class Action** and you will not be permitted to make any claims as set out in paragraph 41 above, nor provide information or otherwise assist any other person or entity in respect of any such claims.

What is a Settlement Distribution Scheme?

43. The Settlement Distribution Scheme outlines the process by which the Settlement Sum is proposed to be paid to eligible Registered Group Members and must also be approved by the Court.
44. If the Court approves the proposed settlement, the parties will seek to have Adero Law appointed as the Administrator of the Settlement Distribution Scheme. The role of the Administrator is to supervise and manage the payment of the Settlement Sum to Group Members in accordance with the Settlement Distribution Scheme.
45. Adero Law, as Administrator, will create a database of information that will be used for the purposes of the determining the value of entitlements payable to Registered Group Members (**Settlement Payment**). If you register to participate in the settlement, you will be required to provide some information to the Administrator. That information will be used to determine the Settlement Payment payable to each eligible Registered Group Member using a calculation model that has regard to the factors listed below (**Model**). The Model is based on what Adero Law regards as a reasonable and just application of provisions of the Customer Service CA, Full Time CA and the Award.
46. The Settlement Payment that will be payable to each Registered Group Member will depend on a number of factors, including:

- 46.1 which group claim(s) the Group Member alleges are applicable to them;
 - 46.2 information relevant to those claims provided by the Group Member to Adero Law when registering for the Proposed Settlement;
 - 46.3 the Group Member's period of employment, shift records and pay history; and
 - 46.4 any proportional discount that might be applied such that each Registered Group Member receives a fair and equitable share of the Settlement Sum.
47. The proposed settlement means that Group Members will not need to bring individual claims against SEPL but will instead have their claims assessed by the Administrator and, if their claims are accepted, they will receive a Settlement Payment from the Settlement Sum without needing to go to Court.
48. By registering to participate in the Proposal Settlement, Group Members who have already registered for the Class Action or who register by the deadline given in this Notice are deemed to agree the value of the Settlement Payments calculated using the Model and that the value so calculated represents full and final payment for any and all entitlements payable to Group Members in respect of any claims as set out at paragraph 41 above.
49. Where the Model calculates that there is no Settlement Payment payable to a Registered Group Member and the Group Member is not eligible to receive any distribution (that is, the value of the Settlement Payment is calculated as being equal to or less than zero), the Group Member will be notified by the Administrator and will not be entitled to any Settlement Payment. There will be no appeal from the Administrator's decision.
50. If you have previously entered into a deed or other agreement that has by its terms released SEPL from any requirement to pay compensation in relation to the claims in the Proceedings, you may be excluded from receiving any benefit under the Proposed Settlement and you will receive a separate notice from Adero Law about that. You may wish to seek independent legal advice on this issue.

Are Group Members liable for legal or other costs?

51. If the Court approves the Proposed Settlement, the Settlement Sum will be in full and final satisfaction of all costs. The legal costs incurred by the applicants in pursuing the Class Action will be paid from the Settlement Sum prior to the distribution of any

Settlement Payments to Group Members. This ensures that all Group Members who benefit will contribute to the legal costs and are treated equally.

52. The applicants and SEPL have agreed that these costs are capped at a maximum of \$1.5 million plus GST. The costs of administering the settlement under the Settlement Distribution Scheme will be included in the cap of \$1.5 million plus GST.
53. You will not otherwise be required to pay any legal costs for the Class Action, regardless of whether you receive a Settlement Payment, unless you seek independent legal advice.

What is the settlement approval process?

54. The Court still needs to approve the Proposed Settlement. The Proposed Settlement does not come into effect unless it is approved by the Court.
55. The Court will determine whether it is fair and reasonable and in the interests of all Group Members. The Court will also determine whether the amount allocated for payment to Adero Law on account of legal costs is also reasonable.
56. You may file a Notice of Objection to the Proposed Settlement and/or any aspect of the proposed distribution of the Settlement Sum to eligible Group Members. If you wish to file a Notice of Objection to the Proposed Settlement, you must do so by no later than 4.00pm (ACDT) on 24 October 2022. The Court will take any objections into account in deciding whether or not to approve the Proposed Settlement.
57. The Court will hold a hearing in order to decide whether to approve the Proposed Settlement, at **10.00am (ACDT) on 13 December 2022**.
58. The hearing will be conducted in a courtroom in the Roma Mitchell Commonwealth Law Court Building at 3 Angas Street Adelaide, but with liberty to the parties outside South Australia to appear by video link or Microsoft Teams link. Lawyers for the applicants and SEPL will be at the hearing. You can attend the hearing if you want to, but you are not required to attend the hearing.
59. If you choose to send a Notice of Objection before 4.00pm (ACDT) on 24 October 2022, you can ask to address the Judge at the hearing about why you think the Proposed Settlement should not be approved. If you did not send a Notice of Objection before 4.00pm (ACDT) on 24 October 2022, you can still seek permission to address the Judge about the Proposed Settlement. To seek leave to address the

Court at the Proposed Settlement you should email associate.charlesworthj@fedcourt.gov.au with the subject line “Leave sought to appear at the Proposed Settlement Hearing SAD76/2020”. The Associate to Justice Charlesworth will facilitate your attendance.

60. If the Proposed Settlement is not approved by the Court, the Class Action will continue.

How can I access confidential documents?

61. Group members may obtain a copy of certain documents which are to be kept strictly confidential including:
- 61.1 the Deed of Settlement and Settlement Distribution Scheme;
 - 61.2 certain evidence and documents filed by the applicants in support of the proposed settlement.
62. If you wish to obtain a copy of these documents, you must complete and return the Request for Inspection Form at Schedule 3 of this Notice to Group Members by no later than 3.00pm (ACDT) on 21 October 2022.
63. You must also provide an undertaking to keep the contents of the documents confidential and only disclose the documents for the purpose of seeking legal or taxation advice, or to exercise any objection to the settlement in these Proceedings. This is referred to as a “**Confidentiality Undertaking**”.
64. A Confidentiality Undertaking is an undertaking to the Court that you will keep the contents of the documents provided to you for inspection confidential. **Any unauthorised disclosure of the contents of these documents is a contempt of Court, which is punishable either as a civil matter or a criminal offence.** The Confidentiality Undertaking is part of the Request for Inspection Form at Schedule 3.

Where can I get more information?

65. If you have any questions or queries, you may contact the applicants’ solicitors, Adero Law, at ontherun@aderolaw.com.au with the subject line: Proposed Settlement SAD76/2020.
66. If you are unsure of what to do, you should seek independent legal advice.
